

IBC Global Missions Offering

December 6, 2009

IBC Partnership Missions

Partnership Missions (formerly May Mission, Home Missions) goes to “Christian Children’s Camp, Azores.” The Azores Baptist Church (IBC) is working with Child Evangelism Fellowship to build the first Children’s Camp in the Azores.

The camp is already in operation but the facilities are quite rustic. The money will be used for bathrooms and shower buildings, storage facilities, and semi-permanent decks for tents so that the camp is usable year round.

Together We Build

Money will go to Sedge Fen Baptist Church, England. A wall of the sanctuary is bowed due to the settling of the foundation and needs to be repaired.

Fellowship hall needs to be rebuilt.
